

4th International Workshop BrainComp 2024 Cetraro, Italy July 15 - 19, 2024 (Revised)

Overview

The 4th International Workshop on Brain-Computer Interfaces (BrainComp 2024) will be held in Cetraro, Italy, from July 15 to 19, 2024. The workshop will bring together researchers from around the world to discuss the latest advances in brain-computer interface (BCI) technology. This technology allows users to control computers and other devices using only their thoughts.

Brain-Inspired Computing: 4th International Workshop, BrainComp 2024, Cetraro, Italy, July 15–19, 2024, Revised Selected Papers (Lecture Notes in Computer Science Book 12339) by Karin Müller

Topics

The workshop will cover a wide range of topics related to BCI technology, including:

- Brain signal acquisition and processing
- BCI control algorithms
- BCI applications

Important Dates

- Abstract submission deadline: March 15, 2024
- Notification of acceptance: April 15, 2024
- Camera-ready submission deadline: May 15, 2024
- Workshop: July 15 - 19, 2024

Submission Guidelines

Prospective authors are invited to submit abstracts of up to 500 words by March 15, 2024. Abstracts should be submitted electronically via the workshop website. All abstracts will be peer-reviewed by the workshop scientific committee.

Registration

Registration for the workshop will open in April 2024. The registration fee will include access to all workshop sessions, materials, and meals. A limited number of travel grants are available for students and early-career researchers.

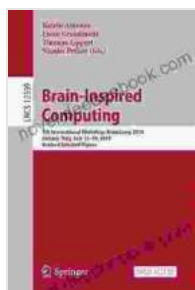

Venue

The workshop will be held at the Hotel Cetraro in Cetraro, Italy. The hotel is located on the beachfront, offering stunning views of the Tyrrhenian Sea. Cetraro is a small town with a population of around 10,000 people. It is

located in the Calabria region of southern Italy, about 100 kilometers north of Reggio Calabria.

Contact

For more information, please contact the workshop organizers at braincomp2024@gmail.com.
