Creeping Death is a first-person shooter and survival horror video game developed by The Farm 51. It was released on October 31, 2015, for Microsoft Windows, PlayStation 4, and Xbox One. The game is set in a post-apocalyptic world where a virus has turned most of humanity into zombies. The player takes control of a survivor named Jake who must fight for survival against the undead hordes.

The game is divided into four months, each with its own unique challenges. The second month, Part Dead America, is set in a desolate wasteland filled with abandoned buildings and vehicles. The player must scavenge for food, water, and weapons while avoiding the relentless zombies.

Gameplay

Creeping Death: Part Dead America is a first-person shooter with a focus on survival horror. The player must use a variety of weapons to fight off the zombies, including guns, melee weapons, and explosives. The player can also scavenge for food, water, and other resources to stay alive.

The game features a variety of different zombie types, each with its own unique abilities. The player must use different strategies to defeat each type of zombie. For example, some zombies are slow and easy to kill, while others are fast and agile.

The game also features a variety of different environments, including abandoned buildings, vehicles, and forests. The player must explore these environments to find food, water, and weapons, and to avoid the zombies.

Story

The story of Creeping Death: Part Dead America follows Jake as he tries to survive the zombie apocalypse. Jake is a former soldier who is immune to the virus that has turned most of humanity into zombies. He is determined to find a cure for the virus and save humanity.

In the second month of the apocalypse, Jake travels to a desolate wasteland in search of supplies. He encounters a group of survivors who are struggling to survive. Jake agrees to help the survivors, and together they must fight off the zombies and find a way to escape the wasteland.

Characters

Creeping Death: Part Dead America features a variety of different characters, each with their own unique personalities and motivations. The

player can interact with these characters to learn more about the story and the world of the game.

- **Jake:** A former soldier who is immune to the virus that has turned most of humanity into zombies. Jake is determined to find a cure for the virus and save humanity.
- **Sarah:** A doctor who is immune to the virus that has turned most of humanity into zombies. Sarah is determined to find a cure for the virus and save humanity.
- **David:** A survivor who is struggling to protect his family from the zombies. David is a skilled fighter and a loyal friend.
- **Maria:** A survivor who is struggling to find food and water for her family. Maria is a resourceful and determined woman.
- **Tom:** A survivor who is struggling to come to terms with the loss of his family. Tom is a troubled man, but he is still determined to survive.

Setting

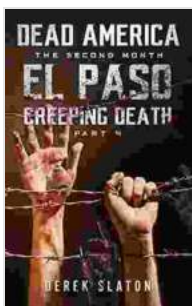

Creeping Death: Part Dead America is set in a desolate wasteland filled with abandoned buildings and vehicles. The landscape is barren and unforgiving. The sky is always overcast, and the air is thick with smoke and ash. The only signs of life are the zombies that roam the wasteland.

The player must travel through this wasteland in search of supplies and survivors. The player must be careful not to succumb to the harsh conditions of the wasteland, or to the zombies that roam it.

Creeping Death

: Part Dead America is a challenging and rewarding survival horror game. The game offers a unique take on the zombie apocalypse genre, with its focus on survival, exploration, and character interaction. The game is well-made, with excellent graphics, sound, and gameplay.

If you are a fan of survival horror games, then I highly recommend Creeping Death: Part Dead America. The game is a challenging and rewarding experience that will keep you on the edge of your seat from start to finish.
