## History and Origins

Gangs have been around for centuries, but their modern incarnation began in the early 20th century in the United States. The first gangs were formed by immigrants who were seeking protection from discrimination and violence. Over time, gangs grew in power and influence, and they became a major force in American society.

## Territories and Rivalries

Gangs often control specific territories, which they defend from rival gangs. These territories can be anything from a single block to an entire city. Gangs will often engage in violence to protect their territories, and they will also fight over drug turf and other resources.

## **Impact on Society**

Gangs have a significant impact on society. They are responsible for a large amount of violence, and they also contribute to drug abuse, prostitution, and other social problems. Gangs can also make it difficult for businesses to operate in their territories, and they can drive down property values.
