

Human-Computer Interaction Interact 2024: Embracing the Future of Human-Centered Computing

Human-Computer Interaction (HCI) Interact 2024 is the premier international conference dedicated to advancing the theory, practice, and application of HCI. The conference brings together researchers, practitioners, and students from around the world to share their latest findings and insights on the design, evaluation, and implementation of interactive systems. HCI Interact 2024 will be held in Copenhagen, Denmark, from September 1st to 5th, 2024.

Human-Computer Interaction – INTERACT 2024: 17th IFIP TC 13 International Conference, Paphos, Cyprus, September 2–6, 2024, Proceedings, Part IV (Lecture Notes in Computer Science Book 11749) by Lennart Nacke

Conference Theme

The theme of HCI Interact 2024 is "Embracing the Future of Human-Centered Computing." This theme reflects the conference's commitment to

promoting a human-centered approach to the design and development of interactive systems. The conference will explore a wide range of topics related to HCI, including:

- User experience design
- Interaction design
- Usability testing
- User interface design
- Human factors
- Cognitive science
- Social computing
- Mobile computing
- Wearable computing
- Virtual reality
- Augmented reality

Call for Papers

HCI Interact 2024 invites submissions of papers on all aspects of HCI. Papers may be submitted in the following categories:

- Full papers (10-12 pages)
- Short papers (5-6 pages)
- Doctoral consortium papers (4-6 pages)
- Posters (2 pages)

The deadline for paper submissions is February 28th, 2024.

Registration

Registration for HCI Interact 2024 will open in early 2024. The conference fee will include access to all conference sessions, workshops, and social events.

Accommodation

A variety of hotels and other accommodations are available near the conference venue. Attendees can book their accommodations through the conference website.

Transportation

Copenhagen is well-connected by air, rail, and road. The conference venue is located near the city center and is easily accessible by public transportation.

HCI Interact 2024 is the premier international conference for researchers, practitioners, and students in the field of HCI. The conference brings together experts from around the world to share their latest findings and insights on the design, evaluation, and implementation of interactive systems. The conference will explore a wide range of topics related to HCI, including user experience design, interaction design, usability testing, user interface design, human factors, cognitive science, social computing, mobile computing, wearable computing, virtual reality, augmented reality, and more. HCI Interact 2024 is an essential event for anyone interested in the latest developments in HCI.

Additional Information

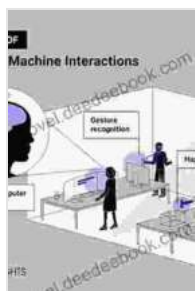

Here are some additional details about HCI Interact 2024:

****Dates:**** September 1st - 5th, 2024 ****Location:**** Copenhagen, Denmark

****Website:**** <https://www.interact2024.org/> ****Twitter:**** @interactconf

****Hashtags:**** #HCI2024 #Interact2024

The conference will feature a variety of activities, including keynote speeches, paper presentations, workshops, tutorials, and social events. The conference will also feature a large exhibition area where attendees can learn about the latest products and services from HCI vendors.
