

Human-Computer Interaction Interact 2024: Shaping the Future of Technology and User Experience

Human-Computer Interaction (HCI) Interact is a premier international conference that brings together researchers, practitioners, and educators from academia, industry, and government to explore the latest advancements in the field of HCI. HCI Interact 2024, scheduled to take place from September 4-8, 2024, in Copenhagen, Denmark, promises to be an exciting and thought-provoking event that will shape the future of technology and user experience.

Themes and Tracks

HCI Interact 2024 will feature a wide range of themes and tracks, reflecting the diverse interests of the HCI community. Some of the key themes include:

Human-Computer Interaction – INTERACT 2024: 17th IFIP TC 13 International Conference, Paphos, Cyprus, September 2–6, 2024, Proceedings, Part III (Lecture Notes in Computer Science Book 11748) by Lennart Nacke

DOWNLOAD E-BOOK

- Artificial intelligence and HCI
- Extended reality (XR) and HCI
- Health and well-being in HCI
- Inclusive design and HCI
- Interaction design for sustainability

These themes will be explored through a variety of tracks, including:

- Interaction Design

- User Experience
- HCI and Artificial Intelligence
- HCI and Health
- HCI and Sustainability

Keynote Speakers

HCI Interact 2024 will feature a lineup of distinguished keynote speakers, including:

- **Don Norman**, Director of the Design Lab at the University of California, San Diego
- **Sheryl Turkle**, Professor of the Social Studies of Science and Technology at the Massachusetts Institute of Technology
- **Helen Sharman**, British chemist and the first British astronaut
- **Yvonne Rogers**, Professor of Interaction Design at the University of Bristol
- **Saul Greenberg**, Professor of Computer Science at the University of Calgary

Conference Structure

HCI Interact 2024 will feature a variety of sessions, including:

- Paper presentations
- Poster presentations
- Workshops

- Tutorials
- Panels
- Demos

The conference will also include a number of social events, providing attendees with opportunities to network and build relationships with other members of the HCI community.

Call for Papers

HCI Interact 2024 is currently inviting submissions for papers, posters, workshops, tutorials, panels, and demos. The deadline for submissions is January 15, 2024. More information about the submission process can be found on the conference website.

HCI Interact 2024 is shaping up to be an unmissable event for anyone interested in the future of HCI. With its diverse range of themes and tracks, keynote speakers, and conference structure, HCI Interact 2024 will provide attendees with a unique opportunity to learn about the latest advancements in the field and network with other members of the HCI community.

Whether you are a researcher, practitioner, or educator, HCI Interact 2024 is an event that you will not want to miss.
