The series has been collected into multiple volumes, and this article provides a comprehensive analysis of each collection, discussing the story, characters, and artwork. The collections are:

- **18 Dead: Volume 1**
- **18 Dead: Volume 2**
- **18 Dead: Volume 3**
- **18 Dead: Volume 4**

## **Volume 1**

The first volume of 18 Dead collects the first six issues of the series. The story follows a group of survivors in the aftermath of a zombie outbreak. The group includes a former police officer, a doctor, a nurse, and a young couple. As the group travels across the country in search of safety, they must face the challenges of the zombie apocalypse, including hordes of zombies, dwindling supplies, and the constant threat of death.

The first volume of 18 Dead is a gripping and suspenseful to the series. The story is well-paced, and the characters are well-developed and relatable. The artwork is also top-notch, with detailed and realistic illustrations that bring the zombie apocalypse to life.

## **Volume 2**

The second volume of 18 Dead collects issues #7-12 of the series. The story continues to follow the group of survivors as they travel across the country. The group is now larger, and they have added a few new members, including a former soldier and a scientist. The group also faces new challenges, including a group of bandits who are intent on stealing their supplies.

The second volume of 18 Dead is another strong entry in the series. The story continues to be suspenseful and engaging, and the characters continue to develop. The artwork is also top-notch, with detailed and realistic illustrations that bring the zombie apocalypse to life.

### **Volume 3**

The third volume of 18 Dead collects issues #13-18 of the series. The story continues to follow the group of survivors as they travel across the country. The group is now facing a new threat: a group of genetically engineered zombies that are stronger and faster than the normal zombies. The group must also deal with the growing tensions within the group, as some members begin to question the leadership of the former police officer.

The third volume of 18 Dead is a dark and disturbing chapter in the series. The story is relentlessly grim, and the characters face some truly horrific challenges. The artwork is also top-notch, with detailed and realistic illustrations that bring the zombie apocalypse to life.

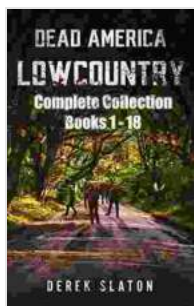

### **Volume 4**

The fourth volume of 18 Dead collects issues #19-24 of the series. The story continues to follow the group of survivors as they travel across the country. The group is now facing their greatest challenge yet: a horde of thousands of zombies that is heading towards their camp. The group must band together and fight for their lives if they want to survive.

The fourth volume of 18 Dead is a fitting to the series. The story is intense and suspenseful, and the characters face their greatest challenge yet. The artwork is also top-notch, with detailed and realistic illustrations that bring the zombie apocalypse to life.

18 Dead is a critically acclaimed horror comic series that follows the story of a group of survivors after a zombie outbreak. The series has been praised for its realistic and unflinching portrayal of the zombie apocalypse, as well as its well-developed characters and suspenseful storytelling.

The series has been collected into multiple volumes, and each volume is a strong entry in the series. The story is suspenseful and engaging, the characters are well-developed, and the artwork is top-notch. 18 Dead is a must-read for fans of horror comics.
