Fairfield, Connecticut, is a town with a rich history dating back to the 17th century. The town was founded by English colonists in 1639 and was originally known as Unquowa. The name Fairfield was adopted in 1691 in honor of the Earl of Fairfield, a supporter of the colony.

Fairfield played an important role in the American Revolution. The town was the site of the first British landing in Connecticut during the war. The Battle of Fairfield took place in 1779 and resulted in a British victory. However, the town was eventually liberated by American forces under the command of George Washington.

In the 19th century, Fairfield became a major shipbuilding center. The town was home to several shipyards that built ships for the United States Navy

and merchant marine. Fairfield also became a popular summer resort destination for wealthy New Yorkers.

In the 20th century, Fairfield continued to grow and prosper. The town became a major center for manufacturing, finance, and insurance. Fairfield is also home to several colleges and universities, including Fairfield University, Sacred Heart University, and the University of Bridgeport.

Landmarks

Fairfield is home to a number of historic landmarks, including:

- The Fairfield Museum and History Center, which tells the story of Fairfield's past

- The Ogden House, which was built in 1719 and is one of the oldest houses in Fairfield

- The Southport Historic District, which is a charming neighborhood with Victorian-era homes

- The Fairfield Theatre Company, which hosts a variety of performances throughout the year

Museums

Fairfield is also home to several museums, including:
