Unveiling the Innovations at the 17th IFIP TC 13 International Conference: A Comprehensive Exploration of Human-Computer Interaction in Paphos, Cyprus, September 2024

The 17th IFIP TC 13 International Conference on Human-Computer Interaction (HCI) will be held in Paphos, Cyprus, from September 8th to 12th, 2024. This prestigious event will bring together leading researchers, practitioners, and industry experts from around the world to share their latest findings and insights on the rapidly evolving field of HCI.

The conference will feature a diverse range of presentations, workshops, and exhibitions covering a wide spectrum of HCI topics, including:

- User experience design

- Interaction design

- Social HCI

- Mobile HCI

- Ubiquitous computing

- Affective computing

- Accessibility and inclusive design

- HCI for health

- HCI for education

- HCI for sustainability

- HCI for games

In addition to the豐富的technical program, the conference will also include a number of keynote speeches by leading figures in the field of HCI. These speeches will provide a unique opportunity to hear from the pioneers and thought leaders who are shaping the future of HCI.

Human-Computer Interaction – INTERACT 2024: 17th IFIP TC 13 International Conference, Paphos, Cyprus, September 2–6, 2024, Proceedings, Part II (Lecture Notes in Computer Science Book 11747) by Lennart Nacke
