The Birth of the Fiat Ferrari Edition

The collaboration between Fiat and Ferrari has its roots in the post-World War II era. In 1955, Fiat was looking to capitalize on the growing popularity of motorsports, and they saw an opportunity in partnering with Ferrari, the reigning king of racing. The result was the Fiat 500 Ferrari Edition, a limited-edition version of Fiat's iconic city car outfitted with Ferrari-inspired styling and mechanical upgrades.
